A MESSAGE FROM THE INTERIM SUPERINTENDENT

The great writer Thomas Wolfe once told us that, "You can't go home again." Recently, the Brentwood Board of Education both humbled and honored me by offering me the opportunity to come "home" and lead a school/community that lies within minutes of where I reside in Bay Shore... as interim superintendent of schools. After a career in education at the elementary, secondary, and collegiate levels that spans more than thirty years, I could not resist the opportunity to take on a new and exciting challenge... building on Brentwood's rich tradition by providing increased opportunities for all of our children to excel academically.

Less than a year ago, I retired from my position as Assistant Superintendent for Curriculum and Instruction in the Amityville School District. During my time in Amityville, we worked with students, parents/guardians, teachers, and administrators to deliver instruction through innovative approaches that focused on providing young people with the tools that they need to be successful on the state's demanding assessments, and of equal importance, to empower themselves as lifelong learners and productive citizens in a highly competitive global economy. Our efforts bore fruit in record fashion. As interim superintendent of schools in Brentwood, I pledge to bring every ounce of my energy and creativity to work with all constituencies in developing a rich academic and extracurricular program that meets the needs of every student.

Over the weeks and months ahead, I will need your help. Please invite me to visit your homes, civic organizations, and events. Feel free to call my office at 434-2325 and I will return your call in a timely fashion. I look forward to hearing from you.

We confront an enormous task. In seeking to build a better Brentwood, we can lay the groundwork for a generation of opportunity and hope for our children... truly a legacy in which we can all take pride. Working together, we will not fail.

Thank you for your continuing support of the Brentwood Public Schools.

Sincerely,

Interim Superintendent of Schools

UN MENSAJE DEL SUPERINTENDENTE INTERINO

El gran escritor Thomas Wolfe una vez nos dijo que, "No Puedes regresar a casa otra vez." Recientemente La Junta de Educación de Brentwood fue muy bondadosa y me honró ofreciendome la oportunidad de regresar a "casa" y dirigir una escuela/comunidad que queda a minutos de donde yo resido en Bay Shore... como superintendente interino de las escuelas. Después de una carrera en educación al nivel elemental, secundario y colegial que abarca más de treinta años, yo no pude resistir la oportunidad de tomar este nuevo y excitante reto... construyendo en la tradición rica de Brentwood ofreciendo un aumento de oportunidades a todos nuestros estudiantes para que superen académicamente.

Hace menos de un año, yo me retiré de la posición de Asistente a Superintendente de Currículo e Instrucción del Distrito Escolar de Amityville. Durante mi tiempo en Amityville, nosotros trabajamos con estudiantes, padres/tutores, maestros y administradores para dar instrucción mediante medidas innovadoras que se enfocan en proveer a la juventud con las herramientas que ellos necesitan para tener éxito en los exámenes estatales, y con tal importancia, para fortalecerlos a ellos como seres que siempre deseen aprender y ciudadanos productivos en una economía global competitiva. Nuestros esfuerzos darán frutos de una buena manera. Como superintendente interino de las escuelas de Brentwood, yo me comprometo a dar cada onza de mi energía y mi creatividad para trabajar con mis constituyentes en desarrollar un programa académico rico y extracurricular que satisfaga las necesidades de cada estudiante.

Durante las proximas semanas y meses, yo necesitare de su ayuda. Por favor invítenme a visitar sus hogares, organizaciones cívicas y eventos. Siéntanse libres de llamar a mi oficina al 434-2325 y le devolveré su llamada tan pronto sea posible. Espero oír de ustedes.

Confrontamos un enorme trabajo. En la búsqueda de desarrollar a un Brentwood mejor, nosotros podemos colocar la base para una generación de oportunidades y esperanza para nuestros niños... verdaderamente un legado en el cual todos nos sentimos orgullosos. Trabajando juntos, nosotros no fracasaremos.

Gracias por su continuo apoyo con la Escuelas Publicas de Brentwood.

Sinceramente,

Superintendente Interino de las Escuelas

A MESSAGE FROM THE SUPERINTENDENT

It is with much excitement and great pride that I assume the position of Superintendent of Schools for the Brentwood School District. As I reflect upon my great assignment, I tend to view the District as a tree experiencing a season of "new beginnings." This comes with the retirement of many legends including Mark Nizewitz, Christie Tedaldi, Bob Bronzo and Alan Lazarus. Each of these central office administrators served the District well for many years. They bring to a close an era of dedicated service and usher in a new season.

The "new beginnings" come into play as I welcome a new team of innovative and qualified leaders that are prepared to service the Brentwood School District. Each of these administrators comes with a wealth of knowledge and great plans for the District.

Much as a tree goes through seasons of change, so has the Brentwood School District. During the spring season, new beginnings are inevitable. Yet, if we consider the Board, administrators, teachers, support staff, unions, parents/guardians and community members as branches of this great tree, we must truly believe that the students are our fruit. The quality of the fruit that we produce in time is contingent upon our ability to be "rooted" in the one common goal of producing fine fruit. We need each and every branch of the "Brentwood tree" to assist in developing our children. Just as a tree needs water, sun and carbon dioxide to flourish, our children need a unified Board, dedicated staff, supportive unions, involved parents/guardians and extended family and a nurturing community to be successful. Most of all, there must truly be a unified belief that our children can achieve. Our expectations for the branches and the fruit must be great.

As we embark upon this exciting new season, let's focus on our children. They are our future. Let's join together to help them flourish and produce a great harvest!

Sincerely,

Donna Jones
Superintendent of Schools

Es con mucho entusiasmo y gran orgullo que asumo la posición de Superintendente del Distrito Escolar de Brentwood. Cuando reflexiono sobre mi gran tarea, tiendo a ver el Distrito como un árbol que experimenta una temporada de "nuevos comienzos". Esto viene con la jubilación de muchas leyendas incluyendo Mark Nizewitz, Christie Tedaldi, Bob Bronzo y Alan Lazarus. Cada uno de estos administradores de la oficina central, sirvieron el Distrito durante muchos años. Ellos traen al fin una era de dedicado servicios y el comienzo de una nueva temporada.

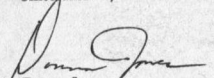

Los "nuevos principios" vienen y yo les doy la bienvenida a un nuevo equipo de calificados líderes innovadores que estan preparados para servir al Distrito Escolar de Brentwood. Cada uno de estos administradores viene con abundancia de conocimientos y grandes planes para el Distrito.

Asi como un árbol atraviesa las temporadas de cambios, así lo ha hecho el Distrito Escolar de Brentwood. Durante la temporada de la primavera, nuevos principios son inevitables. Todavía, si consideramos la junta de educación, los administradores, los maestros, el personal de apoyo, las uniones, los padres/guardianes y los miembros de la comunidad como ramas de este gran árbol, debemos creer sinceramente que los estudiantes son nuestro fruto. La calidad del fruto que producimos en un cierto tiempo, depende de la habilidad en cuando es "plantado" con la meta comun de producir buenos frutos. Necesitamos todas y cada una de las ramas del "árbol de Brentwood" para ayudar en el desarrollo de nuestros niños.

Asi como un árbol necesita agua, sol y dióxido de carbono para prosperar, nuestros niños necesitan una junta de Educación unificado, personal dedicado, uniones que apoyen, padres/guardianes envueltos y familia extendidas y una comunidad nutritiva para obtener éxito. Sobre todo, debe haber una creencia unificada de que nuestros niños pueden lograr. Nuestras esperanzas en las ramas y los frutos deben ser grandes.

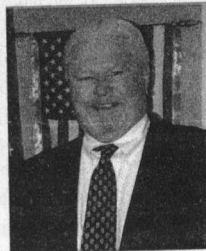

Mientras nos embarcamos en esta nueva exitante temporada, permitáanos enfocarnos en nuestros niños. Ellos son nuestro futuro. ¡Unamosnos para ayudarlos a florecer y producir una gran cosecha!

Sinceramente,

Donna Jones
Superintendente de Escuelas
