Dear Frank Spencer:

I'm writing to express my deep appreciation for your recent donation of food. It is so kind of you to remember the needs of others and give from the heart. Our clients will be happy to receive these much needed items.

Pronto is a non-profit agency that has been providing services to community residents for over 40 years. Through the services of our Food Pantry, Thrift Center, Health and Educational Services, and other programs we provided assistance to thousands of Long Islanders who are in need. We continue to see a great many individuals who are unemployed, uninsured and otherwise underserved who come to us for help. Your contribution helps us to carry out our mission to feed, clothe and serve the needy.

If you would like additional information contact us at (631) 231-8290. You are always welcome to visit our establishment, view our website: www.prontoli.org or email me at prontoli@optonline.net.

Sincerely,

Vivian Hart
Executive Director

PRONTO is a non-profit community of volunteers dedicated to serving our less fortunate neighbors with our Food Pantry, Thrift Center, Warehouse and a host of other free and bilingual programs and services. We rely on the prayers and generous donations of people just like you to support our mission of "People helping people."
